

## 2000 – SYDNEY - OLYMPICS GAMES

The Federation Internationale de Gymnastique Executive Board announced on 27 February 2010 following an investigation into the Chinese team for violations of the minimum age for senior gymnastics competitions (must be 16).

The FIG noted Dong Fangxiao was entered as 17 years old when she was actually 14. Her 1999 World Championships titles have been stripped. In April 2010, ten years after the results, the IOC officially stripped China of its women's team medal.

The fourth place team from the United States was awarded the Bronze at the 2010 Visa Championships, held in Hartford, CT.

Andreaa Raducan (Romania) was the original winner of the Women's All-Around competition, but her gold medal was stripped when she tested positive for a banned substance contained in a cold medicine.
